9/939 Chinna Andan Kovil Street,
Karur-639002
Tamil Nadu, India.**

Document No: HR-POLICY-2016-01IMS

Issue Date: 08 January 2016

We accomplish this by:

- Adopting World Class Manufacturing practices in our Plant.
- Delivering Quality Products consistently to meet our customer expectations.
- Venturing into global markets and timely delivery of quality products.
- Adopting eco – friendly processes and ensuring safe working environment.
- Ensuring compliance with applicable legal and other requirements.
- Minimise dust emission, chemical spillages, and solid waste generation, eliminate hazards & reduce OH&S risks.
- Conserving the use of natural resources and energy.
- Implement effective measures to minimise adverse impact on environment and to prevent Environmental pollution.
- Promote occupational health of our employees and ensure a safe and healthy work environment.
- Promote consultation and participation of workers, and workers' representatives.
- Continually review and improve the Quality, Health and Safety Management Systems.
